Hello everyone,

Apologies for no newsletter in November, couple of reasons for this, I had relatives out from overseas and did the entertaining bit. Alex and I did a tourist trip with them, down the Great Ocean Road and back up through the Grampians and Halls Gap. Wonderful things holidays, you go away to rest but have to work twice as hard when you get back to make up for lost time.

The other reason for no newsletter is there was no news from anyone else in the club, if you want this to be part of our communication lines, get your stuff to me please. Stories, reports of events attended, just info you want to share send it in.

I would like to say a big thankyou to those who made the effort to attend our car trial fund raiser despite the horrible heat. We had over 30 people participate, in 9 vehicles. Those who did attend had a great time we gave a cheque for \$320 to Aaron's cause. Apart from having fun organising this event and watching the participants trying to find out the answers to things by any way or means, the biggest kick I got was from a public donation. I was at the clubrooms waiting for people to return and 2 members of the public stopped in, they had heard about the trial and had wanted to participate, but due to family ending up in hospital they were unable to, so instead they gave a donation. It never ceases to amaze me how generous some of our towns people are despite their own problems. A big thankyou to them also.

Aaron along with his best friend Matthew participated in the trial, his mum drove whilst they answered questions they also enjoyed themselves. Congratulations to our 3 place getters, well done. Thankyou to Naracoorte Betta Electrical and Kinraig Pharmacy for donations towards our goodies prize bags.

Cheers Ann
