Hello everyone,

It's been a long time since I pieced together a newsletter and there is lot's to tell so here goes.

As you can see there are some social events coming up and some drag racing dates are in there as well. The Motoring Clubs Promotion Day is sponsored by Shannon's Insurance (who have some great deals for ANDRA Licence holders) and is a fund raiser for the Patzel-Mullan Foundation, set up to support the Mt Gambier Hospital Children's Foundation, more on this at the next meeting.

You will have noticed that the **AGM** has been postponed to the 21<sup>st</sup> of the month this is because Ann, James, Tahnee and myself will be away until then. So this gives everyone another week to think about the proceedings and who would like to fill the committee positions and how you would like the club to proceed next year. Which brings me to the next point, this will be the clubs 21<sup>st</sup> year in operation and some great events and celebrations are being organised so please enjoy this great milestone. Also think about who may be worthy of life membership and nominate them at the **AGM**. There will be some presentations before the **AGM** so be prepared for some supprises.

At the recent Tri-series meeting held in Adelaide it has become apparent that we may need to secure the services of an event coordinator, so I am in the process of finding out more information on this. If you are aware of any one that can fill this position please contact me ASAP.

One of our life members has turned 40, that's right Byron Stal had a birthday on the 3<sup>rd</sup> of this month and a celebration will take place soon.

Well that's it for now, see you all at the Next Meeting & AGM,  
Cheers Alex.
